TO WHOM-SO-EVER IT MAY CONCERN

This is to certify that **RAI JAYA KRISHNA**, has successfully completed an internship at Ceeras IT Services from **May 24, 2025** to **July 21, 2026** as a **Python Developer Intern** in the **Software Development** dept. of Ceeras.

During the internship, **RAI JAYA KRISHNA** demonstrated outstanding commitment, technical proficiency, and a proactive attitude while working on real-time projects. Their responsibilities included:

1. Design and implement scalable backend APIs using Python and Django, coupled with optimized PostgreSQL database schemas and seamless frontend integrations.
2. Collaborate with cross-functional teams using Git and GitHub for code collaboration/version control, while managing continuous deployment pipelines across Vercel, and Render.
3. Troubleshoot and resolve full-stack performance bottlenecks, complex database queries in PostgreSQL, and deployment issues across hosting environments to maintain high system integrity.

Their contributions significantly added value to the projects undertaken and showcased strong problem-solving abilities and teamwork.

We appreciate **RAI JAYA KRISHNA** for their dedication and wish them all the best in their future endeavors.
